### Hole Sponsorship

To maximize your companies exposure at this event each “**Hole Sponsor**” can create a contest in addition to the regular golf played at that hole. Prizes will be awarded for the individual games by the sponsors at the end of the day during the awards ceremony. Your company is encouraged to staff and promote your company at this hole through display materials and small promotional materials. USO Tournament staff and volunteers will be available to help you promote your hole.

Sponsorship opportunities are tax deductible to the full extent allowed by law.

### Stableford Rules

The 2004 USO Golf Tournament is a modified stableford competition consisting of five flights of players. Players are grouped into flights based upon individual handicaps. Determination of where players are slotted will be done after all registrations are received. Anyone shooting 10 or more under his/her handicap will be moved to the next lower flight. This modified stableford competition will be conducted in accordance with the Rules of Golf established by the United States Golf Association (USGA), and local tournament rules as follows:

- a) Under this modified stableford format, points are awarded as follows:
  1. Double Bogey or worse = 0 points
  2. Bogey = +1
  3. Birdie = +3
  4. Eagle = +4
  5. Double Eagle = +5
- b) All first place ties will be decided by sudden death play beginning in Hole #1. Under the authority of Rule 33-6, the Rules Committee will decide all other ties by matching score cards and using the best score for the last nine holes (10-18). If the tying players still have the same score, the winner will be determined on the basis of the total for the last six holes, last three holes and finally the 18<sup>th</sup> hole. If there is still a tie, a sudden death scorecard play off will be used beginning with the Hole #1.
- c) This tournament is not for handicap.
- d) Based upon individual handicaps, strokes are added or not added at each hole based upon the level of difficulty. This formula is automatically calculated by the computer system compiling final scores. List only the actual score shot on the scorecard.
- e) Tall Grass Rules: In order to speed play, the tall grass bordering the course has been designated a "No Hunting Area" and will be played as a lateral hazard. Unless the player can see the ball while standing in the short rough, he/she is prohibited from entering the tall grass to search for his ball and will proceed as follows: Determine the nearest point where the ball crossed into the "No Hunting Area" and drop a ball, under penalty of one stroke, within two clubs' lengths of that point, not nearer to the hole. Failure to follow the procedures may result in disqualification.
- f) Embedded Ball Rule: Anywhere "through the green," a ball that is embedded in its own pitch mark in the ground (except in loose sand) may be lifted without penalty, cleaned, and dropped as near as possible to the spot where it lay, but not nearer the hole. "Through the green" is defined as the whole area of the course except the teeing ground and all hazards on the course.
- g) Practice Between Holes Rule: Between the play of two holes, a player shall not play any practice stroke on or near the putting green of the last hole played.
- h) Slow Play Rule: Penalties for slow play are at the discretion of the Rules Committee and will consist of 2 strokes being added to the score; however, in no case will a penalty be assessed without the offending group or player being given a warning.
- i) Disputes of Rules Interpretation: In the event of a dispute involving the rules of golf, the player is encouraged to play two balls (the original and an alternate) and bring the dispute to the attention of the Rules Committee at the end of play.
- j) Final scores will be calculated with the assistance of the Neckartalclub secretary using the computer.
- k) Yellow tees will be used for men, red for ladies, black for seniors over 65.

# Was ist die USO ?

USO steht für **UNITED SERVICE ORGANISATION** und wurde 1941 gegründet, um Amerikanischen Soldaten, die fern ihrer Heimat Dienst versehen , zu betreuen.

Hauptsitz der USO ist Washington D. C. Heute ist die USO eine private gemeinnützige Organisation mit mehr als 40 000, meist ehrenamtlich tätigen Mitarbeitern, an 160 Stellen der Welt , überall dort, wo US Soldaten und deren Familien leben.

Die Arbeit der USO ist mehr als bloße Truppenbetreuung. Indem durch zahlreiche Programme versucht wird, Land Kultur und Menschen der jeweiligen Gastländer den amerikanischen Soldaten und deren Familien nahezubringen, dient die Arbeit der USO der Völkerverständigung.

USO ist auch in Deutschland an zahlreichen Orten z.B. in Stuttgart, aktiv und leistet einen konstruktiven Beitrag zur deutsch-amerikanischen Freundschaft.

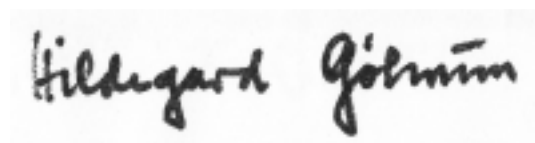

Es geht uns, der USO Deutschland um mehr als die Freizeitgestaltung der Soldaten und ihrer meist jungen Familien. Unsere Arbeit soll mit dazu beitragen, dass die Soldaten der US-Streitkräfte und ihre Familienangehörigen die Bedeutung und die Wichtigkeit ihrer Präsenz erkennen.

Den hauptamtlichen Mitarbeitern der USO stehen beratende Gremien zur Seite, in denen ehrenamtliche Deutsche, meist Vertreter des öffentlichen Lebens und der Wirtschaft, und Amerikaner zusammenarbeiten. Sie helfen mit, dass die Ziele der USO erreicht werden. Helfen auch Sie mit und unterstützen Sie die Arbeit der Deutsch-Amerikanischen Freundschaft.
